

Avoid Expensive Upfront Hearing Device Costs With Our Hearing Device Leasing Plan

The upfront expense involved with hearing device purchases has deterred many people from addressing their hearing loss. Our leasing plan allows you to make simple and affordable monthly payments.

Upgrade Every Three Years

Our leasing program is designed so that you are wearing the latest hearing device technology. Every three years, you'll have the option to upgrade your hearing device(s).

Full Warranty for the Lifetime of the Lease

Enjoy peace of mind knowing you won't have any repair or service charges to worry about. At no extra charge, your lease includes a comprehensive hearing device warranty* for the life of the plan.

**Includes a one-time loss & damage claim per device during the 36-month lease period.*

HEARING DEVICE LEASING PLAN

An estimated 48 million people in the United States have hearing loss, yet only 20 percent of people who could benefit from hearing devices actually purchase them, largely due to significant up-front costs.

Thanks to our leasing plan, individuals with hearing loss finally have affordable access to the highest quality hearing device technology with the convenience of a predictable, affordable monthly payment. Even better, our worry-free program covers you for loss & damage as well as all routine maintenance.

All plans include:

- Option for new hearing devices every 36 months – Stay up-to-date with the latest technology.
- 36-month full warranty.
- 36-month loss & damage coverage.*
- 36 simple fixed monthly payments.

Camino ENT has a wide selection of high-quality hearing devices to fit your lifestyle and budget.

Upgrade your hearing devices as often as you upgrade your smartphone.

Get the hearing devices best suited for your lifestyle. Talk to your audiologist today.

Here's how it works:

If your audiologist **determines you have hearing loss** that could be treated with hearing devices...

They will recommend a treatment plan with hearing devices best suited for your unique lifestyle.

Once determined, you apply for the lease; there are no application fees or required security deposits.

Your devices will then be ordered and fit properly to your ears.

Upgrade to the latest technology every three years.
